Effects of Coloured Light on Yoga Practices

COLOURED LIGHT YOGA CLASS

Following a lunchtime presentation on the Effects of Coloured Light on Yoga Practices, AEFI is offering a coloured light yoga class: a slower moving class with a focus on restoration, stretching, and relieving tension. This hatha yoga class will be exploring the connection between coloured light and postures that emphasize stretching and restoring, rather than building strength.

AEFI 2019

my Light, my Culture, my Health

District 6 - Advanced Educational Fly-In

PLACE: Winnipeg, Manitoba

DATE: Feb 21-22, 2019

"Mark your calendars now for two days of networking and education in the heart of Canada. Between polar bears at the Thursday night reception and the Canadian Museum of Human Rights as the amazing educational venue, you won't want to miss this event."

For more information on the Museum visit: humanrights.ca

For conference information, speakers, topics and accommodations, visit: www.ieswinnipeg.org/events
